## 2022 Scholarship Guidance

The Gathering of Eagles Foundation (GOEF) is a private, non-profit organization that seeks to honor space and aviation heritage and serve the community through educational outreach in the River Region. The Foundation engages in outreach in the local community and provides various scholarships to youth interested in furthering their education in science, technology, engineering, aviation, and mathematics.

**Space and Aviation Combo Camp:** [www.spacecamp.com/space/camp](http://www.spacecamp.com/space/camp) (Preponderance of scholarships)

This custom program combines the best of Space Camp's two most popular programs: Space Camp and Aviation Challenge. Work within your team to complete simulated space missions, fighter pilot missions, and engineering challenges. Trainees will train like astronauts and fighter pilots in our life-like simulators and learn about careers in space and aviation.

*Transportation, lodging, and food costs included*

**Aviation Challenge Camp:** <https://www.spacecamp.com/aviation> (Limited Slots available)

Trainees are immersed in the fascinating realms of flight. Students learn basic principles of aviation and put their knowledge to the test in a variety of flight simulators. Taking the role of fighter pilots, students run control systems and scenario-based missions and learn basic water- and land-survival skills. They also learn about civilian and military careers in aviation.

*Transportation, lodging, and food costs included*

**National Flight Academy:** <https://www.nationalflightacademy.com/> (Limited Slots available)

This program is for rising 7-12th graders that inspires interest in Science, Technology, Engineering and Mathematics (STEM). Students live for 6 days in a multi-story, 102,000 square foot facility experiencing theme-park style thrills surrounded by advanced technology, flight simulators, and virtual reality games that ignite imagination and encourage learning.

*Lodging, and food costs included*

**Incentive Flight with Red Tail Scholarship Foundation:** <https://redtailscholarshipfoundation.org/>

GOEF has partnered with the Red Tail Scholarship Foundation to give scholarship recipients the opportunity to experience the thrill of flight. Scholarship recipients will fly with a Certified Flight Instructor at Moton Field, the National Historic Site of the Tuskegee Airmen.

*Transportation included*

### **Essay Question:**

**How do you plan to impact the future of air, space, or cyberspace, and why should you be selected for this scholarship?**
